In Memory

Dr. Samuel Le Page, Minister of our Church at Stockton for five years, 1949-1954, died in Reading, Pennsylvania, January 1, 1960. He had been confined to a Nursing Home for three years and Mrs. LePage is in her sixth year at the same home. Dr. LePage served 42 years in the active ministry before retiring in 1954. Mrs. LePage served on the state Board of the Kansas Women's Fellowship. Their son, Clifford, lives at 1706 North 16th St., Reading, Penn.

Dr. Samuel H. Leger, a native of Russell, Kansas, graduate of Washburn College and Union Theological Seminary, who served under the American Board as a missionary in China for 25 years, died January 4 in Los Angeles. In 1958 he was given a distinguished service award at Washburn for his outstanding service as a missionary, linguist and sociologist.

Error!

Kenneth Peirce of Partridge returned recently after spending six months in Norway, sponsored by the Farm Youth Exchange of 4-H. Our January issue gave the last name as Price. Sorry!

Meetings

Church and Conference meetings in January, February and March depend much on the weather. Snow, blizzard conditions and impassible roads made it necessary to postpone the meeting of the **Conference Board** of Trustees set for January 18, now planned for February 22.

Other February Meetings are: **Stewardship Committee** on February 14 with lunch at the Kansan Hotel at 12:30 followed by planning at the Conference Office. **Evangelism Committee** at Seabrook Church, Topeka, at 4:30 P.M., February 15, preceding the Ministers' Convocation dinner there. **Pilgrim Fellowship Leaders** meeting at the Conference Office at 1:00 P.M., on February 17.

INN - ward Bound

In addition to the ten Kansas leaders listed in January, Mr. Orval Reeves, member of the American Board Prudential Committee, attended the Mid-Winter meetings at The Inn.

Buck Hill Falls is a Quaker Hotel and Resort in the Pocona Mountains of Pennsylvania. In the summer it caters to guests who are able to pay fancy prices. In the winter it becomes a haven for serious minded church groups that come with more in minds and hearts than in pockets. To our Congregational fellowship it has come to be the place where plans and programs are prepared and presented.

Your Kansas representatives will try to share findings in the coming months.

The Marvin Edigers

To First Pilgrim, Kansas City

In January, the Rev. Marvin L. Ediger accepted a unanimous call to become the Minister of First Pilgrim Congregational Church in Kansas City. He is shown above with his wife Margery and son Marwood, 1½ years of age. They will move to Kansas City, April first.

For the past 3½ years, Mr. Ediger has been minister of the Stanley Community Congregational Church. He is a graduate of Tabor College and earned his B. D. at Central Baptist Seminary last spring. He was ordained to the Congregational ministry by an ecclesiastical council of Eastern Association on July 12, 1959 at the Stanley Church.

Mrs. Ediger, also a graduate of Tabor College, majoring in elementary education, taught school during the first two years of their ministry at Stanley.

Under their leadership every area of the program at Stanley has shown marked progress. The church plant has been completely remodeled and a lovely fellowship hall and modern kitchen has been added.

This summer Mr. Ediger, with some 30 pastors of the midwest, will spend six weeks on a "Bible Odyssey" sponsored by Central Baptist Seminary. Biblical places of the old and new testament world will be visited and studied in Italy, Egypt, Lebanon, Syria, Jordan, Israel, Cyprus, Turkey and Greece.

Back To Kansas

The Rev. and Mrs. Homer Marlatt of Scribner, Nebraska have been called to our church at Haven and began work there early in February. Previous to their nine year pastorate at the Congregational Church at Scribner, they served seven years at Seneca and seven years at Downs.

Both Crecy and Homer were very active in our Kansas fellowship. Mrs. Marlatt was a counselor at summer camps and served on the Women's Board; Mr. Marlatt was Registrar of Eastern Association. We give them a hearty welcome back to Kansas.

The Haven Church pulpit was left vacant the first of the year when the Rev. J. D. Schmidt resigned due to ill health .

Busy Interim Pastor

Pictured above are the Rev. and Mrs. Roy Hanson and their daughter, Robin. Mr. Hanson is Director of Religious Education and Associate Minister at First Congregational Church in Topeka. Since the Rev. Ray Jones left September first to become minister at Bryn Mawr Community Church in Chicago, Mr. Hanson has had many extra responsibilities. Dr. Warren Matthews who accepted a unanimous call to First Church can not begin full time leadership until June first.

Interim Called to Fairmount

Dr. Ross W. Sanderson, retired Congregational minister of Long Island, New York will come to Wichita March first for a six-month interim pastorate at Fairmount Church.

Dr. Sanderson is not a stranger in Kansas. He served Plymouth Church in Lawrence, 1917-20. He served as Executive Secretary of the Wichita Council of Churches 1920-29. He was the first Executive Secretary of the Department of the Urban Church of the National Council of Churches. From 1944-1952 he was Director of Field Research for the Board of Home Missions of C.C. Churches. He served two years as visiting associate professor of Boston University School of Theology. In 1954-55 he was President of Franklinton Center, our American Missionary Association institution at Bricks, N. C.

Dr. Sanderson is author of the book "Strategy of City Church Planning" and is currently finishing a book on the history of state and local councils of churches.

Fairmount Church will adequately furnish the parsonage and Mrs. Sandstrom will be with her husband for the interim period. The Sandersons eldest daughter, Jean, is the wife of the Rev. Howard Boardman who recently joined the staff of our Division of Christian Education in Boston.

Serving Downs

Mr. Paul Biays, graduate student at Hays State has been called as interim supply Minister at Downs. Mr. Biays spends his week-ends at Downs where he has been giving leadership since the first of the year. He was recently granted a temporary license by the Western Association Advisory Committee with the Rev. Edwin Mehlhaff assigned as his Counselor. Mr. Biays is 27 years of age and single. His home is in Russell where he has been a member of the E.U.B. Church.

GREAT BEND MOVES IN

Services were held in the beautiful new First Congregational Church in Great Bend on Christmas Eve for the first time. Then, on Sunday the 27th, regular services began — two worship services and two church school sessions at 9:30 and 11 o'clock. New Year's Eve, an impromtu church night combined good fellowship and food with a chapel worship service. An All-Church family day which is planned as a monthly affair, has been held. The Women's Fellowship met in the afternoon, the two children's choirs (Pilgrim and Plymouth — they sing at the early service on Sundays) came after school for crafts and practice. They were joined by their parents and other adults for a covered-dish supper when dad got through working. In the evening all boards and committees met and the senior choir practiced. 'Twas a great day! We all liked it.

The church is beautiful. The pews and chancel carpet matches the dossal which is of flame velvet. The carpet in the aisles and the parlor is beige. The two manual $25,000 organ was built by the Moeller Organ Company. A dedicatory recital is planned for March 6 with Mr. Richard Gayhart of Topeka at the console.

The little chapel is a bride's dream. The furniture is of natural birch finish and there is a small electronic organ, a memorial gift by Mr. and Mrs. Virgil Ernsting . The windows — a rose window and six small chapel windows — were made by Mr. Charles Slentz, a member of First Church.

The spire is lighted at night and is beautiful to behold. There is an all-electric kitchen with dishwasher and garbage disposal, much of it made possible by a gift from Dorcas Group which also is providing carpet and drapes in the parlor. The Fellowship Hall is made in sections so it can be used for class rooms.

The youth activities room downstairs has its own kitchenette and rest-room facilities. There is a minister's study for Rev. Edward H. Brantz. Mrs. Herr and Mrs. Felton, Church Secretaries, share an office. The church school superintendents have an office which also houses the church library. Cabinets, panelling and woodwork are of beautiful Philippine mahogany. The colors in the departmental rooms are soft and pleasing. The building is completely air-conditioned and we know we will love that — come summer.

That's our church! We are very proud of it and it is wonderfully functional. There's much work to be done, but that's why we have the privilege of more

days before Dedication, February 28. We hope many of you will join us for that special day at 2:30 in the afternoon.

Wichita Pilgrim Dedication

It was a beautiful Sunday morning in mid-December when members and friends of Pilgrim Congregational Church, Wichita, gathered for special services to dedicate the new Education Unit. The well-chosen Christmas decorations in the sanctuary were focused on figures of the Madonna and Child in front of the altar. The message, "God Speaks Again", brought by Dr. L. M. Rymph was also focused on the children to be served by this functional addition to the church plant.

The new wing, built at a cost of $30,000.00 houses three large departmental rooms. Each room opens onto a porchway and the unit is joined to the sanctuary by a breezeway. Both units were designed by Robert S. Mayberry, Acrhitect. Part of the church school and the church offices are still housed in the Parish House — the original building on the grounds when the site was purchased.

Pilgrim Church, founded nine years ago through the cooperative efforts of the Board of Home Missions and the Kansas Conference, has been self-supporting for the past four years. The present facilities are valued at $175,000.00. Under the leadership of the Rev. T. Merton Rymph, 117 members were added in 1959 with a net gain of 88. This net gain is second largest in the state with Lawrence Plymouth placing first, adding 143 members for a net gain of 94. Pilgrim has an operating budget of approximately $25,000.00.

Carbondale

At Carbondale, 1960 is a Banner Year, with several long-time dreams of the congregation becoming realities. On January first, the Rev. Clifton B. Kruse started full-time ministry after serving part-time since 1954. He is the first full-time minister since the Rev. G. Waldo Crippen left in 1946.

The second milestone is the construction of an addition to house the Sunday School and rest-room facilities; to be completed about March first. These steps forward evidence a fine spirit of cooperation in the community and the congregation. They also reflect growth from an average Sunday attendance of 32 in 1953 to 102 in 1959, with prospects for further increases in 1960. Some are wondering how long before it becomes nceessary to enlarge the sanctuary to accommodate the increased attendance.

Looking To State Conference

April 22-24 — Great Bend

Plans for the 105th Annual Meeting of the Kansas Congregational Conference have pretty well "jelled" and a wonderful program is in store.

Plan Now!

Unless your church starts soon to make plans for adequate representation, you probably won't be well represented. But you should be! This will be the fifth year our Conference has had week-end sessions to make possible greater lay participation. When this plan was launched, a special appeal was made by the Board of Trustees, the Moderator, and the Conference Program Committee, asking every church to see that its pulpit is filled on Conference Sunday and release the minister for attendance at all sessions from Friday afternoon to Sunday after dinner. Plan now for your pulpit supply on Sunday, April 24.

The Program

Details regarding the program will be given in March and April. Guests include Dr. Harold Wilke, Executive Secretary of the Commission on Church and Ministry of the E and R fellowship, Dr. Donald M. Typer, President of Doane College, the Rev. Howard Boardman of our Division of Christian Education in Boston, and Dr. Ray Gibbons, Director of the Council for Christian Social Action of the United Church of Christ.

Adequate Facilities

The new Great Bend Church; so well pictured on a previous page, gives assurance that they can care for as many as make advance registrations. Meals will be served in the large Junior Hi cafeteria across from the new church. Lodging will be furnished in homes.

Inventory Time

One month of the New Year has slipped away. We can not change a minute of the time that is gone, nor can we reclaim it or use it again. But all of us should have been looking back just a little and appraising what we have done or have not done. It is time now to look forward and check the things that should be done. Our Fellowship year ends the last day of March. The presidents of the local groups will be getting the Annual Report forms before the first of March. Right now, it would be a good idea to check over the Standard of Achievement on pages 9 and 10 of the Guide Book. Have all the things been done that can be done? There is a little time yet to pick up some of the loose ends.

We hope that each group has studied our Mission themes and used some of the programs from the Program Book, "Move We on Together." Of course, you have had a memorial service for those members who have gone on to their reward. If you have not sent your Memorial gift to the Memorial Fund Secretary, Mrs. William Ehlers, there is still time.

It would be a good idea for the president to have a meeting with her chairmen of the six departments of work. All of you could go over what was expected of you and take note as to how you have measured up to the expectation. The need in every field is so great that we are overwhelmed by it, but if each group does its very best, then we will be helping to alleviate some of the wounds and sorrow in our world.

Are we as Christian women being true stewards, are we conscious each day of our blessings and our responsibilities? If we are, then our Kansas Woman's Gift will be greater than ever. With every dollar that we give because we are so truly grateful, a dollar's worth of good will be done in the state, across the nation and around the world. If we dedicte all of our gifts to the work of our Master, we know they will accomplish much toward the coming of the Kingdom of God on earth.

When each woman sets herself to the task of achieving the goals set forth by our six departments of work and in the purpose of our Women's Fellowship, then truly the millenium will come. Our giving for others will equal our giving for ourselves and we can joyfully say, "Thy Kingdom Come, Thy Will be done on earth as it is in Heaven."

Myrtle K. Graves (Mrs. Roscoe)

"Love . . . in deed and in truth".

"But if anyone has the world's goods and sees his brother in need, yet closes his heart against him, how does God's love abide in him? Little children, let us not love in word or speech, but in deed and in truth."

1 John 3:17-18

Let us think on these words for Brotherhood Month. Love must express itself in practical situations. In far too many instances in our country today, love is still not being practiced in race relationships. There is too little evidence that the attitude of Christians

about race is very different from those who do not profess Christianity . This emphasis on love, not only in word, but also in deed, should be the responsibility of every Christian. This constitutes good Christian Social Action . . . the expression of love BY groups and TOWARD groups. If we hold the world's goods and see our brother's needs, and yet close our hearts, can we really love God "The barriers we erect against others," says Dr. Benjamin E. Mays, "become prison bars to our own souls."

A new emphasis that we are concerned with in 1960 is the Nationwide Program for Peace. We hope that under the leadership of Guy Gebhardt, our Conference C.S.A. Assistant, many of our churches will hold discussion groups based on Worldwide Peace.

What is the Christian's responsibility on this changing planet? We can not underestimate the power of prayer. Nothing is more potent before the Throne of God than the sincere prayer of a contrite heart. But, here again, we must strive "not only in word and speech, but also in deed and truth." In Christian faith and fellowship we can meet the issues of this new age with confidence and studied action.

"Grant us our Master's heart and mind,
His care for all, the poor and blind,
For every race, for young and old,
Despised, rejected, hungry, cold.
Let us not lose the vision blest,
The dream of peace, the hope, the quest,
Thy gracious will be done this day,
Thy Kingdom come on earth, we pray." Amen.

Ann Armstrong (Mrs. Charles)
Christian Social Action Secretary

A Message From "Julie"

Dear P.F.ers:

Recently my attention was called to the following editorial in the Hays Daily News. I thought the content very good and felt that perhaps you would benefit from reading it too:

Editor, Hays Daily News—Says:

"Quite a number of my friends have asked me to reproduce a recent article written by Judge Phillip B. Gilliam, nationally known juvenile judge of Denver. I agree that it gives some sound advice, and I hope that my kids will read it carefully. Col. Farley calls it 'hard hitting, brutally frank', but adds, 'it embodies much of the old fashioned thinking that produced the great men and women who made America great.' Here it is:"

Open Letter to a Teenager

"Always we hear the plaintive cry of the teenager: What can we do? Where can we go? The answer is . . . GO HOME! Hang the storm windows, paint the woodwork, rake the leaves, mow the lawn, shovel the walk, wash the car, learn to cook, scrub the floors, repair the sink, build a boat, get a job, help the minister, priest, or rabbi, the Red Cross, the Salvation Army, visit the sick, assist the poor, study your lessons. And then, when you are through — and not too tired — read a book.

Your parents do not owe you entertainment. The world does not owe you a living. You owe the world something. You owe it your time and energy and your talents, so none will be at war or in poverty or sick or lonely again.

In plain words — GROW UP! Quit being a cry-baby; get out of your dream world and develop a backbone; start acting like a man or a lady.

You're supposed to be mature enough to accept some of the responsibility your parents have carried for years. They have nursed and protected, helped, appealed, begged, exercised, tolerated, and denied themselves needed comforts so you could have every benefit. This they have done gladly, for you are their dearest treasure. But now, you have no right to expect them to bow to every whim and fancy just because selfish ego, instead of common sense, dominates your personality, thinking and requests.

In Heaven's Name, GO HOME and GROW UP!"

Coffee for Carpet

The P.F. at Stockton is sponsoring a Coffee Hour after church each Sunday morning. The silver offering received is given to the fund for the new carpet in the church. Mrs. O. T. Meador is sponsor.

College Day - Youth Sunday

Youth Sunday, January 31st was made a cooperative venture by at least 5 fellowships in Leavenworth to help create an awareness among young people and their parents concerning the church-related College. The Rev. Dan Tyson of Doane brought the morning message at Pilgrim United Church. The churches joined for an afternoon meeting with talks, discussions and displays of material. Rev. Robert Baker is our minister at Pilgrim Church. Pat Baker is a student at Doane.

Mount Hope Federated

Youth Sunday was an inspiration to everyone when the entire service was in charge of the church youth. The choir of 44 PF'ers furnished music and later enjoyed a Friendship Dinner.

Memorial Gifts at Maize

On January 17, a two Manual Baldwin electric organ was dedicated at Maize in Memory of Rev. Robert C. McCoy, former minister of the church. The instrument is a gift of Mrs. R. C. McCoy who lives in Wichita, but is still very active in the Maize Church. Mr. Herbert Marsh of Wichita was guest organist and Mr. Jack Sees was soloist. The Rev. Carlos Demarest, Minister, gave the sermon and led in the dedication service.

Mrs. Gertrude Downing, long time member at Maize, recently gave a generous gift to the church in memory of her parents, Samuel and Sallie Loudenslager. The gift will start a fund for new pews.

Iselys in Turkey

The Rev. and Mrs. Merrill Isely wrote at Christmas time that Mr. Geo. Privatsky and family arrived at Izmir in September for several months language study. In June they will take over the Iselys' work at our American Board Hospital in Gaziantep, and Merrill and Mildred will return to the states after more than 39 years as our servants in Turkey. The Iselys are native Kansans, graduates of Fairmount College and members of Fairmount Church.

A New Use

The Crippens at Seneca use the American Board Directory with young people of their church membership class.

Eastern Rally

Theme of the rally held at Lawrence Plymouth on February 5 and 6 was, "Lost and Found — One's Self." Diane Dalton is President of Eastern and the Rev. Max Thomas is sponsor.

More than a year ago our Conference Board of Trustees voted "that we urge our Kansas Churches to make a special effort to include Doane College in their annual budgets to the extent of at least 50 cents per member per year."

This was promoted through Congregational Kansas, at State Conference and at Association meetings last fall. We are deeply disappointed to find that only fourteen churches responded with gifts totalling less than a thousand dollars.

If your church can not reach the 50 cents per member goal in 1960, won't you at least make a start? In 1941, after Fairmount and Washburn became municipal universities. Doane was officially accepted as the church related college for the Kansas Conference. If Doane isn't in your 1960 budget, won't you plan a College Sunday and promote a special offering for Doane?

State Conference

(Continued from page 7)

Congregationalism in Kansas has a good heritage. Every church has a responsibility in the program, the planning and the projects which are presented and pondered at the Annual Meeting. Let us make these sessions a strong witness to our sense of togetherness.
